The Bryden House, located at 5059 Crosby Road, in Rock Hall, Kent County, MD is not located in an historic district nor is it considered eligible for individual listing on the National Register of Historic Places.

The Bryden House is a 1-1/2-story bungalow-type house built 1920-1930. The frame structure sits upon a rusticated concrete block foundation and is covered with a low gable roof with a gable dormer located on center of the front elevation. The windows are grouped in pairs or threes and have 6/1 sash. A screened-in gable-roofed porch which projects from the facade has been altered from the original.

The dwelling is typical of the domestic architecture of the period and lacks the architectural distinctiveness to qualify for listing on the National Register of Historic Places under Criterion C. The property is not known to have any associations with persons or events significant to our past and is thus not eligible under Criteria B or C.
